Lake Eyre approach

Australia's vast outback landscape is best appreciated from the air.

We use a fleet of high wing aircraft, to ensure you get the most from your experience.

Flight 1 - Duration 1.5 hours

With such limited ground access, the best way to see Australia's largest salt lake is with a bird's-eye view. This 1.5 hour flight takes you over both Lake Eyre North and South, incl Halligan Bay, Madigan Gulf, & the Elliot Price Conservation Area.

Flight 2 - Duration 2.3-2.5 hours

This flight covers most of the shorter flight, plus much more. Cooper Creek is Australia's second longest waterway and is flooding over vast wetland areas near the Birdsville Track. See this natural wonder and Lake Eyre in a flight that encompasses the amazing views. Duration is usually 2.5 hrs but may vary slightly in different aircraft & depending on prevailing winds.

Lake Eyre flights - Prices
