Early Bird Savings of \$300 per person are available on some of these dates (unless booked out beforehand) if booked by **February 15. Please advise** if planning to book as places are limited and fill fast.

You **travel in real 4 Wheels Drive vehicles** (Toyota GXL Landcruisers) which are very comfortable and ideally suited to the remote and often hard to access areas we take you to. Our tours are **Personal and Private Kimberley Tours** where you get the attention and preferences you want, without tens of other passengers – Buses are not us.
